

ELK POINT MINOR HOCKEY - U13 AVALANCHE

2023 PROVINCIAL SPONSORSHIP OPPORTUNITIES

Hello!

The **U-13 AVALANCHE** from the Elk Point Minor Hockey Association would like to **extend an invitation to invest in Hockey Alberta's Minor Hockey Provincial Championship Tournament for the U-13 Tier 2**. This tournament will be hosted right here in Elk Point, Alberta, at our very own A.G. Ross Arena. This event will take place March 23-26, 2023.

This Provincial tournament will see 8 teams from all across the province of Alberta. And we are thrilled to show these teams what a truly special place Elk Point and the surrounding Lakeland community is. We are excited to support all the Lakeland, thru hotel stays, restaurant activity, convenience store action and all retail stores that our travelling teams will be able to see and access. But mostly we are pleased to show what the word "COMMUNITY" means, by having all businesses big or small, families or individuals participate in the sponsorship of this tournament, so when travelling teams arrive at the arena or open up the program or sit and listen to the sports broadcaster cast the game, they hear the support, the interest and the **PRIDE** that our local economy takes in keeping programs such as minor hockey accessible to our community's youth.

Please see a list of sponsorship opportunities available for this Provincial Tournament attached. If any questions or concerns, please feel free to reach out to our host chair.

Our committee and community are truly thankful for the support. Each dollar truly makes a difference! We are looking forward to hosting a memorable Hockey Alberta Provincial Championship Tournament!

So, thank you for taking the time to consider this opportunity!

Yours truly,

Brittany Brousseau
